

## CURRICULUM VITAE

Gary William Evans, Ph.D.  
Elizabeth Lee Vincent Professor of Human Ecology  
Cornell University

**ADDRESS:** Departments of Design and Environmental Analysis  
and of Human Development  
College of Human Ecology  
Cornell University  
Ithaca, NY 14853 4401

**PHONE AND FAX:** (607) 342 1214 (607) 255 0305

**E-MAIL:** GWE1@CORNELL.EDU

### EDUCATION:

Colgate University	1971	A.B. High Honors in Psychology
University of Massachusetts, Amherst	1973	M.S. Psychology
University of Massachusetts, Amherst	1975	Ph.D. Psychology
National Institute of Mental Health and Illness	1978	Neurobiology Mental
Karolinska Institute, Stockholm	1987- 1988	Psychoneuro- endocrinology
National Institute for Child Health and Human Development (NRSA)	1998- 1999	Human development

### EXPERIENCE:

#### Teaching

Teaching Fellow, Psychology, University of Massachusetts, Amherst	1973-1974
Instructor, Brooklyn Career Opportunities Program- Teacher preparation program for inner city residents	1973-1975
Assistant - Full Professor, Social Ecology, University of California, Irvine	1975-1992
Professor, Design and Environmental Analysis; Human Development, Cornell University	1992-

#### Professional

VISTA, Community Organization and Development	1968-1969
Resident Advisor, Colgate University	1969-1971
Research Assistant, Psychology, Colgate University	1969-1971
Research Associate, Commonwealth of Massachusetts Institute for Humans and the Environment	1971-1973
Associate Dean for Undergraduate Studies, Social Ecology, University of California, Irvine	1978-1981
Faculty Fellow, Residential Life, Cornell University	2005-2015

**HONORS AND AWARDS:**

George Cobb Fellow	Colgate	1970
Phil R. Miller Psychology Prize	Colgate	1971
Who's Who in American Colleges and Universities		1971
Standard Oil Distinguished Teaching Fellowship	University of Massachusetts	1974
NSF Dissertation Fellowship		1974-1975
Regents' Junior Faculty Fellowship	University of California	1977
Fulbright Research Fellowship	University of Poona, India	1981-1982
Fellow of the American Psychological Association (Divisions 9,34)		1983
Who's Who in Frontier Science and Technology		1983
Who's Who in the West		1985
Alumni Association Distinguished Teaching Award	University of California, Irvine	1985
Chancellor's Affirmative Action Award	University of California, Irvine	1987
International Fellow Swedish Work Environment Fund	Karolinska Institute	1987-1988
Fellow of the American Psychological Society		1989
Academic Senate Distinguished Lectureship Award for Teaching	University of California, Irvine	1992
Who's Who in Science and Engineering		1994
Who's Who in the East		1994
Who's Who in the World		1995
Who's Who in Medicine and Health		1996
Distinguished Teaching Award Gamma Sigma Delta Honor Society of Agriculture, Human Ecology and Life Sciences, Cornell		1996
Career Award. Environmental Design Research Association		1997
Who's Who among America's Teachers		1998
Fulbright Research Fellowship	Innsbruck, Austria	1999
National Research Service Award. National Institute Of Child Health and Human Development		1998-1999
2000 Outstanding Scientists of the 21 <sup>st</sup> Century		2000
Outstanding People of the 21 <sup>st</sup> Century		2000
2000 Outstanding Intellectuals of the 21 <sup>st</sup> Century		2000
Distinguished Professor, University of Paris		2000
Who's Who in the 21 <sup>st</sup> Century		2001
Cornell Class of '72 Award for Academic Innovation		2002
Merrill Presidential Scholar: Outstanding Educator, Cornell University		2005,2006, 2010
Mac Arthur Foundation Network on Socioeconomic Status and Health		2006-2010
Kendall S. Carpenter Memorial Advising Prize Cornell University		2006

Docteur Honoris Causa: Stockholm University	2006
Distinguished Professor, University of Rome, Sapienza	2008
Kaplan Family Distinguished Faculty Fellowship in Service-Learning, Cornell University	2008
Board on Children, Youth, and Families. <u>National Academy of Sciences</u> . Washington, DC.	2009-2015
Chancellor's Award for Excellence in Scholarship in Creative Activities. Cornell University	2010
Proshansky-Newman Award. Division 34, Environmental and Population Psychology. American Psychological Association.	2011
Who's Who in America	2011
Fellow, John Simon Guggenheim Memorial Foundation	2013-2014
Marsico Social Science Visiting Scholar, Denver University	2015

**RESEARCH GRANTS:**

- Perceived control and environmental stressors. 1975-1976  
Roche Psychiatric Institute, Nutley, New Jersey.
- Effects of prolonged noise exposure: A longitudinal 1977-1979  
 study. National Science Foundation, National  
 Institute of Environmental Health Sciences,  
Society for the Psychological Study of Social  
 Issues.
- Behavioral effects of photochemical smog. Southern 1978-1981  
California Edison Company.
- Relationship between ambient air quality and symptoms 1981-1983  
 of respiratory disorder in a representative sample  
 of the Los Angeles population. California Air  
 Resources Board.
- Coronary prone behavior and occupational stress. 1983-1984  
University of California Faculty Research  
 Fellowship.
- Human adaptation to isolated and confined environments. 1985-1987  
National Science Foundation and National  
 Aeronautics and Space Administration.
- Environmental cognition and assessment. National 1987-1988  
Science Foundation and Swedish Council  
 for Building Research.
- Computerization and life change: A psychophysiological 1987-1989  
 study. Swedish Council for Research in the  
 Humanities and Social Sciences.
- Traffic congestion and the work environment of city bus 1989-1993  
 drivers. National Science Foundation, Swedish  
 Work Environment Fund and Swedish Transport  
 Research Board.
- Residential density and psychological health: The 1990-1992  
 mediating effects of social support. National  
 Science Foundation.
- Chronic stress and the etiology of coronary heart 1991-1996  
 disease. National Heart Lung and Blood Institute,  
Swedish Environmental Protection Board, Nordic  
 Noise Council, and German Research Community.
- Rural housing conditions and children's psychological 1993-1998  
 distress. U.S. Department of Agriculture.
- Environmental control and training in occupational 1996-1997

stress. Herman Miller Corporation.

Rural poverty, stress, and socioemotional development. 1997-1999  
Mac Arthur Foundation.

The effects of mode and mode transfer on commuter stress. 1997-1999  
U.S. Department of Transportation.

Multiple stressors, poverty, and human development. 1999-2001  
U.S. Department of Agriculture.

Chronic environmental stress, family interaction and children's well being. 2001-2002  
Society for the Psychological Study of Social Issues.

A prospective study of stress among inner city bus drivers. 2000-2008  
Swedish Council for Working Life.

Rural poverty and children: Risk and resilience. 2000-2001  
American Association of Family and Consumer Sciences.

One hundred families: Growing up in rural poverty. 2002-2008  
W.T. Grant Foundation.

The impact of mode and mode transfer on commuter stress. 2002-2005  
U.S. Department of Transportation.

The effects of car versus train travel on physical activity and psychological responses of commuters. 2002-2005  
Robert Wood Johnson Foundation.

An experience sampling study of stress and coping among low and middle income Youth. 2003-2006  
Mac Arthur Foundation.

Chaos and Children's Development: Levels of analysis and mechanisms. 2006-2007  
American Psychological Association; Cornell University; Purdue University.

Contextual processes and rural African American emerging adults. 2008-2013  
National Institute of Mental Health.

The role of youth settings in young adult development: The ecological context of rural poverty. 2009-2014  
W.T. Grant Foundation.

Childhood poverty and brain development: The role of chronic stress and parenting. 2009-2012  
National Institute on Minority Health and Health Disparities.

Housing and neighborhood quality: Children's mental 2010-2014

health. John D. and Catherine T. MacArthur Foundation.

- Does the income achievement gap begin in infancy? 2011-2013  
U.S. Department of Agriculture.
- The investigation of obesity and poverty among the 2013-2016  
Montenegrin children: Clinical, pathophysiological,  
biochemical and preventive aspects.  
Montenegro Ministry of Science and Ministry of Health.

#### **TEACHING GRANTS:**

- New course development, Advanced Laboratory in 1975-1976  
Environmental Psychology. Committee for  
Instructional Development, University of California,  
Irvine.
- Counseling and support services for student volunteer 1975-1977  
projects in community. Committee for  
Instructional Development, University of California,  
Irvine.
- Educational programming in the Social Ecology 1978-1979  
Dormitory. Committee for Instructional Development,  
University of California, Irvine.
- Undergraduate curriculum development in psychology. 1981-1982  
Committee for Instructional Development,  
University of California, Irvine.
- Teaching assistant orientation workshops. University 1983-1985  
of California, Systemwide Grant, Oakland, CA.
- Excellence Program: Honors discussion sections for 1985-1992  
minority undergraduates. Committee for  
Instructional Development, Office of Academic  
Affairs, Office of Affirmative Action, University  
of California, Irvine.
- Introduction to Environmental Analysis: Course 1987-1988  
reorganization. Committee for Instructional  
Development, University of California, Irvine.
- Social Ecology Research Experience for Minority 1988-1993  
Undergraduates. National Science Foundation,  
Washington, DC.
- Enhancing self-efficacy among minority students. 1989-1990  
Committee for Instructional Development, University  
of California, Irvine.

- Introduction to Human-Environment Relations: Course 1993-1994  
reorganization. College of Human Ecology,  
Cornell University.
- International Perspectives in Human-Environment 1994-1995  
Relations. President's Fund for Internationalizing  
the Curriculum, Cornell University.
- Environmental Psychology and Interior Design Studio 1995-2012  
Collaboration. Shared Journeys Foundation,  
New York, NY; Robert S. Smith Community Service Award,  
Cornell University; Boys and Girls Clubs of America,  
Atlanta; Kendal Corporation; Cornell University (alumni  
endowment).
- Human Ecology Minority and Disadvantaged Student 1996-  
Partnership Program. Gamma Sigma Delta,  
Washington, DC and College of Human Ecology, Cornell  
University.
- Writing in the Major. Cornell University Knight Writing 2000-  
Program.
